Frontiers and Careers in Photonuclear Physics – skill development and talks for students

Main conference: 31 October – 04 November 2023

* Early registration: August 31.

* Late registration: 1. Sep. – 29. Oct.

* Abstract submission for talks and posters: 31. Aug.

Andrew Puckett is submitting an abstract.

15th European Research Conference on Electromagnetic Interactions with Nucleons and Nuclei

● 29 October - 04 November 2023 ● Annabelle Hotel, Paphos, Cyprus

● Preconference: 29 - 30 October 2023
Frontiers and Careers in Photonuclear Physics – skill development and talks for students

● Main conference: 31 October – 04 November 2023

EINN2023

Conference Topics

- Nucleon form factors and low-energy hadron structure
- Partonic structure of nucleons and nuclei
- Precision electroweak physics and new physics searches
- Meson structure
- Baryon and light-meson spectroscopy
- Nuclear effects and few-body physics

Parallel Workshops

- QCD at the EIC: Experimental Opportunities and Detector Challenges
- QCD analysis of nucleon structure

Poster Session

We invite you to submit abstracts for talks at the workshops and for the poster session. Contributions not selected for talks will be given the option of a poster presentation. There will be a poster prize for the three best posters, which will also be promoted for a plenary talk at the conference.

The 25th iteration of the International Spin Symposium (SPIN 2023) will be held September 24-29 at Duke University. The Symposium is one of the pre-eminent venues bringing together theorists and experimentalists in the field of spin physics. It is held every two years, alternating between the U.S., Europe and Asia.

Abstracts submission is open 17 Mar 2023

Submission deadline 31 May 2023

The 2023 Fall Meeting of the Division of Nuclear Physics of the American Physical Society and Physical Society of Japan will be held Oct. 7 - Oct 12, 2023

In October 2023, we will hold the sixth joint meeting of the Division of Nuclear Physics of the American Physical Society (APS) with the nuclear physicists of the Physical Society of Japan (JPS). The previous meetings in 2001, 2005, 2009, 2014, and 2018 were outstanding successes.

Abstract submission opens on Monday, April 24 and closes on Friday, July 7 for all but the undergraduate categories. The deadline for those abstracts (posters and talks) is Friday, August 11, 2023.

[MENU 2023 https://indico.him.uni-mainz.de/event/171/](https://indico.him.uni-mainz.de/event/171/)

The 16th edition of the "International Conference on Meson-Nucleon Physics and the Structure of the Nucleon" (MENU 2023) is organized on October 16-20, 2023 by the Institute for Nuclear Physics of the Johannes Gutenberg University of Mainz and will be held at Erbacher Hof, a historic building from the 12th century formerly belonging to a monastery and now serving the diocese of Mainz as an educational center.

Abstract open Apr 17, 2023, 8:30 PM

Submission deadline

Jun 30, 2023, 11:59 PM
