

Minutes: SBS Meeting March 18, 2015

Agenda: Robin - update on SBS engineering projects
Alexandre - RICH and GRINCH triggering and readout using the VETROC

Attendees: Alexandre Camsonne, Charles Perdrisat, Freddy Obrecht, John Annand, Mitra Hashemi Shabestari, Mark Jones, Seamus Riordan, Carlos Ayerbe Gayoso, Mahbub Khandaker, Brian Quinn, Gregg Franklin, Nilanga Liyanage, Vladimir Nelyubin, Bogdan Wojtsekhowski, Evaristo Cisbani, Guido Urciuoli, Konrad Aniol, Vahe Mamyan.

- 1) Robin - update on SBS engineering projects.
Brian asked if Robin is afraid of rusting of magnet during the rain. Robin said that safety protocols say it should not be done at rainy days.
How the results fit with schedule. Several milestones not meeting.
Alternative schedules to meet the milestones.
Andrew asked if shielding includes transversity experiments. Robin said that only form-factor experiments are included.
