

Minutes: SBS Meeting Dec 3, 2014

Agenda: Brian/all - Discussion of possible submissions for April APS meeting
Seamus Riordan, Hall-A contributions

Attendees: Adam Sarty, Alexandre Camsonne, Charles Perdrisat, Freddy Obrecht, John Annand, Mitra Hashemi Shabestari, Mark Jones, Seamus Riordan, Carlos Ayerbe Gayoso, Mahbub Khandaker, Brian Quinn, Gregg Franklin, Nilanga Liyanage, Vladimir Nelyubin, Bogdan Wojtsekhowski, Evaristo Cisbani, Guido Urciuoli, Konrad Aniol, Vahe Mamyan.

1) Seamus Riordan, Hall-A contributions annual report. Bogdan mentioned that nobody cites annual report in archive. It has very small impact. Bogdan suggested to not spend lots of time writing this report. Seamus said that it takes little time to prepare the report.

2) Nilanaga said that production is going very well, we finished the 6-th module. There were some issues with module 5. We are investigating the problem. Bogdan mentioned that there are a few new papers about GEM. Nilanga said that he would take a look.

3) John Annad said that they had minor disaster in the lab. A few NINO chips were lost.

4) Andrew said they received 250 PMTs for RICH from Belgium.
