1) BigBite -- Douglas Higinbotham. No slides. Total 9 students working on Bigbite. HV cabling done. 50% done frontend.

2) Could not make it.

3) NINO card update. Problem with NINO card, get a new board and start from scratch.

4) Kondo gave an update. Enough materials to build 3 chambers. Brian asked is it clear what went wrong with the production readout board. Kondo answered that it is not clear, probably quality control.
