

Minutes: SBS Meeting September 18, 2013

Attendees: John LeRose, Alexandre Camsonne, Brian Quinn, Mitra Hashemi Shabestari, Seamus Riordan, Doug Higinbotham, Nilanga Liyanage, Bogdan Wojtsekhowski, Andrew Puckett, Todd Averett, John Annand, Vina Punjabi, Gregg Franklin, Thia Keppel

- 1) John Annand gives an update on NINO based Discriminator Boards:
 - a) See [link](#)
- 2) Thia Keppel gives an update on Measurements of the Pion Structure Function
 - a) See [link](#)
- 3) Bogdan Wojtsekhowski initiates discussion of preparations for the November DOE review.
 - a) Suggests that each system that SBS has a dependence on produce a one page/slide summary of where they are. 1st pass in 2 weeks.
 - b) John LeRose reviews what we expect to present from the "Program" side of things (still no real information from DOE re what they expect)
 - i) Shows sample slide of milestones ([link](#))
 - ii) Expect to show achieved milestones and indicate progress/background towards upcoming milestones
 - iii) Will need some sort of budget status too.
