Gabriel - Status Report of SBS ECAL PMT Testing at JMU

- JMU PMT testing facility and the test setup
- Early results of the PMT tests with various light levels
- Quantum efficiency measurements and difficulties
- Future plans:
  - Retooling, ramping up for ECAL testing
  - Complete patch panel by end of February 2016
  - Verify the relative QE measuring scheme
  - Start large scale PMT testing
  - Arrange a delivery/pick-up schedule for PMTs
