Following is the submittal drawing for the product you ordered. Drawing 1680-1 depicts the 12x16x7 Softwall Cleanroom that was ordered on your Purchase Order number 03-PO651. Please review this drawing carefully. Drawing 1680-1 needs to be returned with an acceptance signature prior to scheduling this into production. If discrepancies are found please notify Clean Rooms International Inc prior to signing and returning. The drawing will be corrected and re-submitted for approval.

Drawings 151-2 Item J and 0242-2 Item A depict the FFU's and Lights and are for your records. These do not need to be returned with an acceptance signature.

Please be aware that production on this order **Will Not** be scheduled and/or commenced until the signed submittal drawing is returned.

Should you have any questions or concerns please feel free to give me a call.

Thank You
