CrossPad™

CrossPad and CrossPad XP Portable Digital Notepads (PDN). Revolutionary tools that let you upload all your notes right into your PC.

Convenient pen holder.

Snap-in, spring-loaded pen holder ensures your CrossWriter™ pen is always within reach. (CrossPad XP only)

More ink on board.

A tray in the side of the notepad holds five replacement ink cartridges.

CrossWriter™ Digital Pen.

A small RF (radio frequency) transmitter sends pen stroke data to the notepad automatically when the pen makes contact.

Powerful software.

IBM® Ink Manager™ software provides powerful note editing, searching, organization and sharing tools.

IBM

CrossPad XP shown right

Take it with you.

At 1.5 pounds and 7/8" thick (CrossPad XP) and 2.2 pounds and 3/4" thick (CrossPad) these tools travel light and work smart.

Tablet friendly.

Slip the backing card of any memo-size, 6" x 9" (CrossPad XP) or letter-size, 8.5" x 11" (CrossPad) tablet into the slot provided.

Store all your notes.

CrossPad XP captures 80+ memo-size pages and CrossPad 50+ letter-size pages of notes, sketches and diagrams.

Power to spare

The four AAA batteries in both notepads have an average life of 3-4 months. The single CrossWriter AAAA battery has a 6-12 month average life.

Serial transfer cable included

Confirms that the notepad is "on" and the pen is transmitting.

Shows previous, current and next page, current page number and whether a page has captured any digital ink.

Indicates the remaining notepad battery power.

Keyword
Used to index key ideas visually (on your tablet) and (digitally on your PC).

Menu
Summons a menu of control settings and user preferences.

Page Backward
Moves you back one page in your digital notes.

Page Forward
Moves you ahead one page in your digital notes.

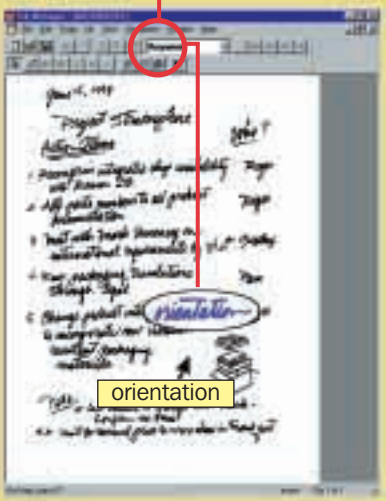
No
Used to answer "no" to menu display questions.

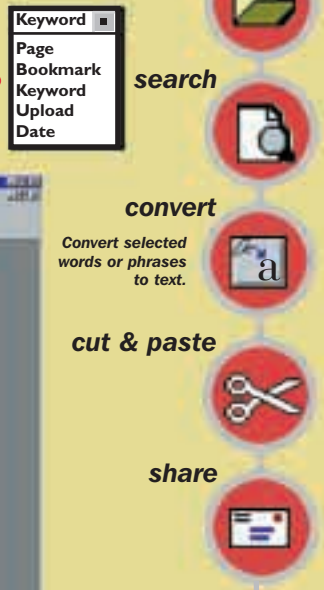
Yes
Used to answer "yes" to menu display questions.

THE SIMPLICITY OF THE PEN. CROSS pen computing group THE POWER OF THE PC.

Keyword

When you circle a word and mark it with the Keyword button you can use it later as a convenient search term.

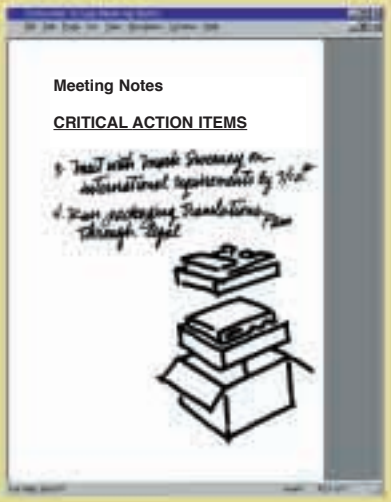




Keep all your notes on your PC, sorted by topic into "Notebook" files you create.

Search Ink Manager notebooks by "Keyword," "Bookmark" and date.

Convert selected words or phrases to text.



Print or fax Ink Manager Notebook files. Share notes by email with other Windows users. Export notes to other applications in .PS, .JPG, .TIF, or .BMP formats.

1

Take *Notes.*

Capture your thoughts. With ink. On paper. As you write CrossPad XP (shown) records 80+ pages of your handwritten notes or sketches.

2

Upload *to PC.*
