

User Manual---Item: MA1001

Care Instructions:

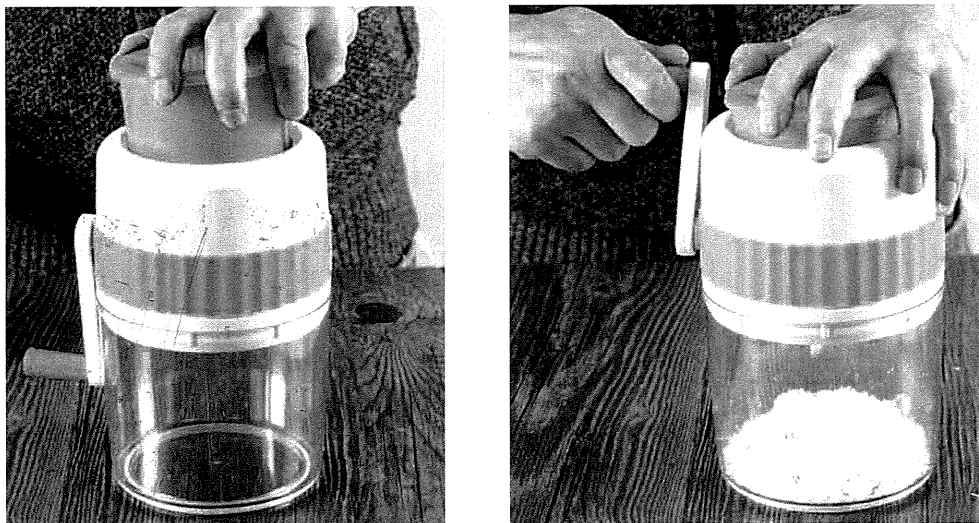

- Wash unit before first use with warm water and dish detergent
- Dry thoroughly before storing

Instructions:

Step 1: Get your ice cubes, remove the top lid and place ice cubes into the upper hopper of the top crank.

Step 2: Place the lid into the upper crank, use one of your hand to press the lid , and another hand to turn clockwise the handle to crush ice.

Note: While you are crushing, shaking the top crank to make ice cubes have more contacts to the blade, you will get your crushed ice more fast.

Thanks for choosing MANBA ice shaver&ice cube tray, if you have any questions, please leave your message or comments to us.
