Also persistent issue with short/long bars

TDC Meantime - STTime - dL/c [ns]

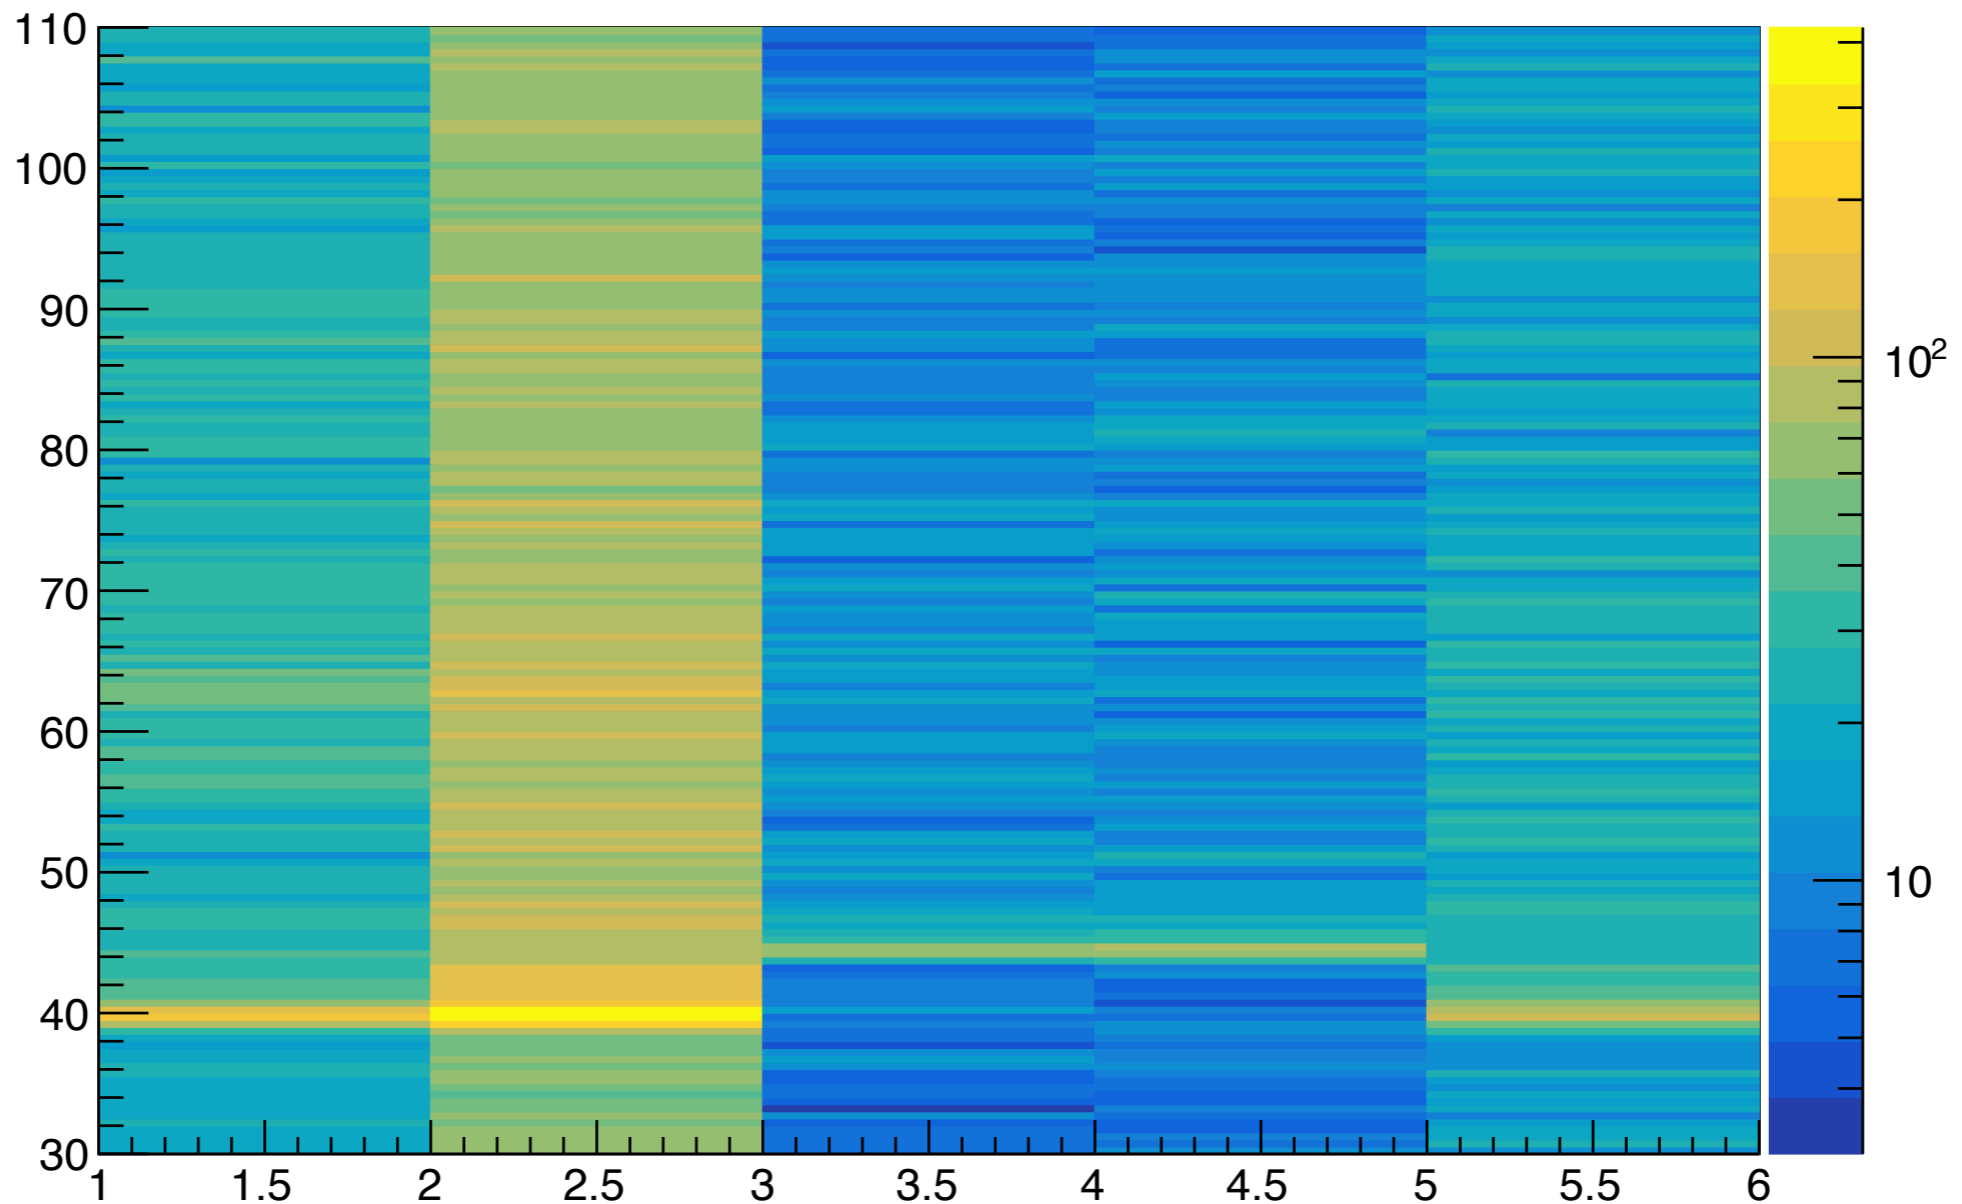

Sector Number

Also persistent issue with short/long bars

FADC Meantime - STTime - dL/c [ns]

Sector Number

Hardware Updates

- * **Saturday:** Laser system back at MIT - working on getting it up and running now (Andrew, Sam, Efrain)

Next steps

- * Combining a full day of running to analyze
- * Using more recent runs to see if problem above persists
- * Started a re-cook with most recent calibrations on one run
